

Introducing the most comprehensive COVID solution available on the market today.

TAP. SWAB. SNAP.

Only the fastest, most advanced test is good enough to be called On/Go.

We know that COVID will be with us for some time. Managing life with it requires vigilance, science, and technology, all of which are provided by our unique app.

❖ Intrivo

The Test

On/Go isn't simply an FDA authorized rapid antigen test, it's an easy to use, complete diagnostic and management system that operates directly with your phone. Here are the reasons both individuals and institutions will want to choose On/Go instead of the rest.

- FDA/EUA authorized for over-the-counter use
- 95% accurate
- Test results at 10 minutes
- Detects ALL known COVID-19 variants of concern, including Delta
- Suitable for individuals with or without symptoms
- Lower nasal swab specimen collection increases patient comfort
- Proudly developed and manufactured in the US
- Companion app available in both Apple App Store and Google Play

The App

The On/Go mobile app is great for individuals and enterprise users alike - offering each important tools, all while helping ensure the most accurate, fastest, and best experience possible.

- Step-by-step test instructions
- Test results
- QR codes for health results sharing

There's not a
single good
reason to
use On/Go.

There are 5.

- 1 Only On/Go combines the latest science with cutting edge technology to provide best-in-class diagnostics with information management for an end-to-end solution no one else can offer.
- 2 All products are manufactured in the US, so you can trust their quality, and the safety of your information.
- 3 We provide a unique, user-friendly app to guide you through testing, and manage results. No more confusion around testing or fumbling through clunky websites, just accurate results fast.
- 4 For enterprises managing a team of people, we offer a full stack population management platform. From testing to tracing, information is tracked in our secure cloud-based hub. We make your business safer for you, your employees, and your customers.
- 5 On/Go is a strong consumer brand, with extensive marketing support, so when people are asking for the best, they'll be asking by name.
