baby experts agree.

Doctors, nurses, lab techs, and storks all choose OSOM[®] for their hCG testing. Because of its long track record of accuracy and quality, medical professionals trust the OSOM brand. Three choices — the OSOM hCG Urine Test, the OSOM Card Pregnancy Test, and the OSOM hCG Combo Test — can accommodate your specific testing needs within minutes. Choose the hCG test that the pros turn to time and time again. OSOM from Genzyme... truly awesome.
